How the Reset Works

FREE PREVIEW · ONE PRACTICAL ACTION AT A TIME

YOUR 30 DAYS

For the next 30 days, you will focus on one practical action at a time.

Food · Movement · Sleep · Recovery · Hydration · Stress management · Smarter wellness decisions

PROGRESS, NOT PERFECTION

THIS IS NOT

A quest for perfection. A detox. A medical treatment.

THIS IS

A way to build a routine that survives ordinary life.

WHAT "RESET" MEANS HERE

Reset refers to your routines and habits — not to your body or physiology. There are no pounds to lose, no toxins to flush and no guaranteed results. Just repeatable actions, scored for feedback, not as a grade.

YOUR FOUR-WEEK JOURNEY

WEEK 1	WEEK 2	WEEK 3	WEEK 4
Build the Foundation	Build Your Food Routine	Move + Recover	Make It Yours

In this preview: the 4-Part Meal Method (p. 3) and your first 3 challenge days with the Daily Wellness Score (p. 4). See everything inside the full 79-page program on p. 5.

The 4-Part Meal Method

THE FITNESS WORLD 4-PART MEAL METHOD

1 PROTEIN
eggs · plain yogurt · beans or lentils · tofu · fish · poultry

2 PRODUCE
any vegetable or fruit you will actually eat — fresh, frozen or canned

3 FIBER-RICH CARBOHYDRATE
oats · whole grains · beans · brown rice · whole-grain bread

4 HEALTHY FAT
olive oil · walnuts or seeds · avocado · nut butter

REMEMBER IT

Protein. Produce. Fiber. Fat.

Four parts. One meal.

TWO SIMPLE BUILDS

OATMEAL BOWL

1. plain yogurt or milk
2. berries or sliced fruit
3. rolled oats
4. walnuts or seeds

SALAD PLATE

1. chicken, eggs, tofu or beans
2. leafy greens + vegetables
3. whole-grain bread or grains
4. olive oil or avocado

A METHOD, NOT A MEAL PLAN

Swap freely for your preferences, culture, allergies and any advice from your clinician or dietitian. Portions follow your needs and appetite. More meal examples and a pantry list are in the full program.
